- The maximum application and allocation amount in the Private Placement will be 14 000 000 Offer shares equivalent of NOK 119 000 000.

Applications for Offer Shares in the Public Placement will be governed by the terms and conditions set out in this application agreement (including its Exhibits) (the "**Application Agreement**"), and the term sheet (the "**Term Sheet**"), all dated 02.03.2023 (collectively referred to as the "**Investor Documentation**"). The applicant (the "**Applicant**") hereby acknowledges to have received and accepted the terms set out in the Investor Documentation and that the application and allocation is subject to the terms set out therein.

The Offer Shares are granted by the shareholders in the Company in connection with the general meeting held on 29.06.2022.

Application procedure:

The application period runs from and including 02.03.2023 to and including 30.03.2023 at 12:00 CET (the "**Application Period**"). The Company may at its own discretion extend or shorten the Application Period at any time and for any reason. If the Application Period is shortened or extended, the other dates referred to herein may be amended accordingly. The Company reserves the right, at any time and for any reason, to terminate the Private Placement without giving advance notice or providing any reason.

By executing this Application Agreement, the Applicant irrevocably confirms the Applicant's request to apply for the number of Offer Shares at or up to the amount(s) specified by such Applicant at the Offer Price on the terms and conditions included in the Investor Documentation, and irrevocably authorizes and instructs the **Company**, to subscribe for the number of Offer Shares allocated to the Applicant in the Private Placement (the "**Allocated Shares**") on behalf of the Applicant.

This Application Agreement, duly signed, valid and binding on the part of the Applicant, must be in the possession of the **Company** within the expiry of the Application Period. The Applicant bears the risk of any postal delays, unavailable internet lines or servers, unavailable fax lines and any other logistical or technical problems that may result in applications not being received in time or at all. The Applicant is further responsible for the correctness of the information inserted on the Application Agreement. Any application received by the Manager becomes binding for the Applicant at the expiry of the Application Period and may not be withdrawn or amended after such time.

Allocation of Offer Shares:

- If oversubscribed,
 - all applicants will be granted the minimum order subscription.
 - further allocations are distributed pro rata.
- Any other allocation issues will be handled by a committee consisting of the following Greenstat members: CEO, CFO and Chairman of the board.

The Company may, at their sole discretion, set a maximum allocation to any Applicant as well as reject or reduce any application in whole or in part. The final allocation of Offer Shares will be resolved by the Board. Allotment of Offer Shares for a lower amount than applied for does not affect the Applicant's obligation to subscribe and pay for the Offer Shares allotted.

Settlement:

The date for payment of the Private Placement is expected to be on or about 03.04.2023 (the "**Payment Date**"), subject to any shortening or extensions of the Application Period, and any further settlement details will be stated in the Notification.

By signing the Application Agreement or registering a subscription through the VPS online subscription system, each Applicant having a Norwegian bank account, provides the Receiving Agent with a one-time irrevocable authorisation to debit the bank account specified by the Applicant in the Payment Information box for payment of the allotted shares for transfer to the Receiving Agent. The specified bank account is expected to be debited on or after the Payment Date. The Receiving Agent is only authorised to debit such account once, but reserves the right to make up to three attempts to debit the Applicant's accounts if there are insufficient funds on the account on previous debit dates. The authorisation will be valid for up to seven working days after the Payment Date. Applicants who do not have a Norwegian bank account must ensure that payment with cleared funds for the shares allocated to them is made on or before the Payment Date and should contact the Receiving Agent in this respect for further details and instructions.

The Allocated Shares will be delivered to the Applicant's VPS account as soon as practicable after full payment has been received, the conditions for the Private Placement have been met and the new share capital has been registered in the Norwegian Register of Business Enterprises and the Central Securities Depository ("**VPS**"), expected within 30.04.2023.
